**Dr. Vinod Puri, Max Super Speciality Hospital Saket ,
New Delhi**

**Dr. Atma Ram Bansal, Medanta The Medicity Hospital,
Gurgaon**

Venue:

**Hotel Pride Plaza, Aerocity
New Delhi**

Dear Colleagues,

It is our pleasure to invite you for the 4th National Epilepsy Surgery Support Activity Network (NESSAN) meeting to be held at Aerocity, New Delhi on August 11th and 12th, 2018. Similar to previous three meetings, this meeting is also aimed at having informal discussion among the people involved in the management of patients with drug resistant epilepsy. The meeting is targeted at Epileptologists, Epilepsy surgeons, Neuroradiologists, Neuropsychologists, Neuropsychiatrists, Occupational and speech therapists, Neurotechnologists, and Medical social workers.

This meeting follows a unique format of case based discussion on different aspects of drug resistant epilepsy and epilepsy surgery. The case based discussions include complex cases of presurgical evaluation, complex surgical approaches, surgical failures, unique seizures semiologies, and unique ictal patterns. We typically discuss 30-35 cases of difficult to treat epilepsy during one and half days. Any professional interested in presenting difficult/unique epilepsy case(s) is welcome to participate. Interested professionals should send the brief synopsis of case highlighting the unique problem of each case. Cases will be selected purely on merit. Brief synopsis of cases can be sent by emails at: atmarambansal@yahoo.com OR cbrathore@gmail.com.

Hope to see you in Delhi,

With warm personal regards,

Dr. K. Radhakrishnan & Dr. JMK Murthy

On behalf of National Epilepsy Surgery Support Activity Network (**NESSAN**)
